

EMPLOYEE AND VISITOR ARRIVAL AGREEMENT

If I cross the Line of Separation (LOS) I agree to the following biosecurity measures:

- I will shower and change into clean clothes and footwear prior to my arrival at the farm.
- I will not have any contact with animals or facilities where livestock or deadstock are held (including my home, other farms, auction markets, buying stations, slaughter plants, rendering plants) prior to my arrival on the farm.
- I will keep the interior of my vehicle clean and will not transport dirty clothes, footwear, or other items.

I agree to follow additional biosecurity measures once on the farm (based on my job duties) to reduce the risk of introducing disease to the animals.

If I fail to observe biosecurity protocol (accidentally or intentionally) or I observe others doing so I will promptly inform my supervisor of the date, time, and nature of the incident.
